Any such approval will be conditioned on the bidder paying to the Government for the privileges granted, for the period from the date of the approval to the date of conveyance, an amount equal to the interest for such interval of time on the unpaid balance of the purchase price. The interest rate shall be computed based on the yield of 10-year United States Treasury maturities as reported by the Federal Reserve Board in "Federal Reserve Statistical Release H.15" plus one and one-half percent (1-1/2%) rounded to the nearest one-eighth percent (1/8%) as of the date of bid acceptance.

As of the date of assumption of possession of the property or the date of conveyance, whichever occurs first, the successful bidder shall assume responsibility for care and handling and all risks of loss or damage to the property and have all obligations and liabilities of ownership.

In the event of a major loss or damage to the property as a result of fire or other cause during the period of time between acceptance of the bid by the Government and the granting of possession to the successful bidder, such loss or damage shall not be considered grounds for invalidating the contract of sale; however, the loss in value to the property as a result of said major loss or damage may be considered in granting an allowance on the purchase price, such allowance to be determined by the Contracting Officer. In any case, with respect to any claim against the Government, the extreme measure of the Government's liability shall not in any event exceed refund of the purchase price or such portion thereof as the Government may have received.

GENERAL TERMS OF SALE, Continued

10. Insurance. The Government is not imposing any insurance requirements on the purchaser for the time period between award and possession.

11. Revocation Of Bid And Default. 12. Government Liability. If this Invitation for Bids is accepted by the Seller and: (1) Seller fails for any reason to perform its obligation as set forth herein; or (2) title does not transfer or vest in the Purchaser for any reason although Purchaser is ready, willing, and able to close, Seller shall promptly refund to Purchaser all amounts of money Purchaser has paid without interest whereupon Seller shall have no further liability to Purchaser.

The balance of the purchase price must be submitted to the Government agency holding title within 45 days of the date of award unless otherwise stated. The successful bidder shall tender to the Government the balance of the purchase price by Cashiers check. Upon such tender being made by the successful bidder, the Government shall deliver to the successful bidder the instrument, or instruments, of conveyance. The Government reserves the right to extend the closing date for a reasonable amount of time for purposes of preparing necessary conveyance documents. In any event, if possession was assumed by the successful bidder prior to the date of conveyance, the successful bidder

shall pay, in addition to the purchase money due, an amount determined in accordance with paragraph 7 above.

16. Delayed Closing. The successful bidder shall pay interest on the outstanding balance of the purchase price if the closing of the sale is delayed, and the delay is caused, directly or indirectly, by the successful bidder's action and not by any action on the part of the Government. The interest rate shall be computed based on the yield of 10-year United States Treasury maturities as reported by the Federal Reserve Board in "Federal Reserve Statistical Release H.15" plus one and one-half percent (1 1/2%) rounded to the nearest one-eighth percent (1/8%) as of the date of bid acceptance. Such agreement shall constitute the whole contract to be succeeded only by the formal instruments of transfer, unless modified in writing and signed by both parties. No oral statements or representations made by, or for, or on behalf of either party shall be a part of such contract. Nor shall the contract, or any interest therein, be transferred or assigned by the successful bidder without consent of the Government, and any assignment transaction without such consent shall be void.

19. Officials Not To Benefit. No member of or delegate to the Congress, or resident commissioner, shall be admitted to any share or part of the contract of sale or to any benefit that may arise therefrom, but this provision shall not be construed to extend to the contract of sale if made with a corporation for its general benefit.
